

PARKING

We have come to an arrangement with The Galleries car park to offer our customers discounted parking of **£12 for 24 hours**. Please see the orange directions on the map and see below for more detail. The alternative parking can be found at the NCP which has very narrow bays and costs nearly twice as much at **£23 for 6 to 24 hours**. Please see red details and direction on the map. On arrival at the Galleries, please take the ticket and bring it to reception when you need to depart the car park and we will exchange it for the discounted parking ticket which is payable to Brooks Guesthouse. Please note that under this parking arrangement you can not exit the car park (in the car) and return in the 24 hour period without incurring an additional charge.
